Dear Ferraristas,

2020 has been a strange year for all of us. 2021 has been a year where all of us have been trying to adjust with the new social norms. Let's end the year with a spectacle that was missed by everyone - 2021 Etihad Airways Abu Dhabi Grand Prix

We shall carry on the tradition to kick start the Etihad Airways F1 weekend with a parade from Al Tayer Motors Ferrari Dealership to Yas Marina.

Ferrari Owners Club UAE has secured what is without question the best located and largest private F1 lounge at Yas Marina Circuit. With a stronger Scuderia Ferrari team line up this year, we expect the excitement around this years event to be greater than ever. Each year it has been members and esteemed international guests that have made this event the success it is and we look forward to once again welcoming our FOC and Ferrari global family at our lounge this December.
